

GENERAL INFORMATION

The SU Adventure Lodge is owned by Scripture Union (SUNZ). It is available to groups who are prepared to co-operate with the Lodge Committee in complete observance of the Lodge Rules. Priority is given to SUNZ's Youth camps during school holidays.

Location

The Lodge is on Rehua Place between Ruapehu Ski Club and Forest & Bird Lodge. Rehua Place is on the left just before the Road Open/Closed sign and gate at the Whakapapanui Bridge. Carparking is below the Lodge. There is a short gravel path leading to the lodge front door.

The Lodge

The building accommodates 24 guests, up to 32 maximum, with open plan kitchen and lounge upstairs, and four bunk rooms, two bathrooms and two drying rooms downstairs. The lodge is not recommended for children under 4 years. The deck is NOT for young children.

Bunk Rooms

Bunk rooms sleep 6 in bunks with an additional sleeping shelf for 2 extra mattresses on each. The top bunks are 1.53m height and NOT for young children.

Kitchen

The kitchen has a Parmco oven & stove, microwave, kettle, large fridge, pots, pans & trays, crockery and cutlery.

General facilities

The building is electrically heated and equipped with two drying rooms, hot water, 4 showers and 4 toilets. During the winter, to avoid freezing, the tap over the tub in the shower room must be left on a slow drip when the Lodge is vacated. Detailed instructions are displayed on the wall in the Boot Room (where snow gear can be stored).
