

# Introducing HANA LEOFO

Kia ora koutou,

My name is Hana, and I'm delighted to have started my role as Operations Manager for SUNZ. My days of work are Monday-Thursday in the National Support Office. I've recently moved to Wellington from Tāmaki Makaurau, my hometown. I'm proud to be of Samoan heritage on my father's side and Pākehā, with primarily Scottish lineage on my mother's side.

Before joining Scripture Union, I spent the past few years working as a Water Resources Engineer for an environmental consultancy. My academic background is in Civil Engineering, though I've also completed theological studies at the Venn Foundation and at Otago University.

Outside of work, I love spending time with whānau and friends, enjoying live music, reading a good book, and making the most of good weather!

Ngā mihi, Hana

SUNZ are so grateful for our donors who are helping to fund this role. This will enable Hilary Hague, National Director to get out and about with our supporters.

Hana was a camp leader at SUPAKidz Going Bananas in January 2015. "That was such a fun camp!" She was also camp leader at Ruapehu Adventure July 2022 and training at NILT August 2022.
