

SUNZ are excited to introduce Kia Tipu, our new name for Scripture Union's Children and Families Ministry Training. We wanted a name that truly captures what we do, helping children and families grow in faith. Kia Tipu means "let's make it happen, let's grow" in Te Reo Māori, reflecting our heart for seeing faith flourish in the lives of children and their families. Just like a seed needs the right conditions to thrive, faith grows best when nurtured through Bible engagement, prayer, and a supportive church community. Our vision is simple: to help churches create the best environment for children's faith to grow. We believe that when children encounter God through his word and prayer, their faith takes root and flourishes.

Kia Tipu offers training and support for your whole team, in ways that are flexible, practical, and inspiring.

Large training conferences, where you can connect with others and dive deep into key topics. Regional 'pop-up' training, designed to be relevant and responsive to the needs in your local area. 1:1 mentoring are tailored to support you and your team. Our quarterly magazine is filled with fresh insights and inspiration for your ministry!

And, coming up in the pipeline are our online modules and opportunities for senior leadership and church consultation.

We'd love for you to be part of this journey with us. Let's make it happen by working together to create the best environment for our children's faith to grow!

Liz Eichler  
Children & Families Team Leader

# Kia TO GROW Tipu
