

At Scripture Union Youth, our role is to support the people who journey with rangatahi on their walk with Jesus. One way we do this is through our Anamata training workshops for youth leaders. Our team are regularly updating our workshops to meet trending needs.

SOME OF THE WORKSHOPS WE HAVE PRESENTED RECENTLY ARE:

‘Working with Neurodivergent youth’ an overview of neurodiversity and how to be inclusive and foster a sense of belonging

‘Te Tiriti and youth ministry’ what does honouring Te Tiriti O Waitangi in youth ministry look like, and how well are we doing this in our context?

‘Leadership 101’ tools, tips, and tricks to equip youth leaders

ANAMATA FULL DAY

SUNZ Youth run full day Anamata workshops during February-March to equip youth leaders for the year ahead and to provide networking opportunities. We recently held Anamata full days on 1 March Dunedin, 8 March Auckland, 15 March Wellington.

These larger events provide a range of workshops that cater to a variety of leadership experience levels, from those new to ministry, right through to those who have been leading for several years and may now also be leading a team.

ANAMATA REGIONAL

These are smaller, half day events outside of our main cities. We offer a variety of workshop options including split sessions so we can give training value to participants.

ANAMATA CUSTOM

We also cater to youth groups and can run a workshop with your team tailored to your specific needs and context. This is a great option for those who are unable to make it to the larger events.

We value shared leadership and encourage local facilitators for workshops when possible. If you have any questions about Anamata, or want to nominate someone to facilitate a workshop, contact SUNZ Youth today.

Great

reviews from our recent ANAMATA workshops

I really valued having extra time to connect and relate over kai. The neurodiversity workshop was especially fruitful, thought provoking, and relevant for our community.

I loved the Group Dynamics workshop – real situations being explored; expectations being made clear was key.

Really valuable day, great learning, and lots to take away. Excited for how this will equip youth leaders in our communities!

Leadership 101 workshop was awesome. I really enjoyed the conversation where we practised open-ended questions.

Anamata has been so incredibly empowering. Thank you SUNZ! Left me a lot to continue to ponder.
