

## E3 EXPERIENCE

This is a once in a lifetime wilderness adventure for Y12 & Y13 where you will tramp, kayak and mountain bike your way through some beautiful parts of New Zealand. E3 is an 11-day expedition in December that will help you develop your faith, leadership, outdoor skills and care of creation while reflecting on the opportunities and possibilities of life after school. There are three great locations to choose from this year: Bay of Islands, Canterbury and Otago.

We also have E3 Young Adults for 19 – 25-year-olds which is a 7-day expedition in February. Keep an eye on our website for more information!
