Refund Policy for Kia Tipu

We are sorry if you are unable to come. Unfortunately, we have already made financial commitments to others before the event. Some of these costs include venue charges, catering, photocopying, courier charges, and workshop materials.

Without prior knowledge we will have been unable to rebook your place, and others may already have been turned away as registrations are limited for many workshops.

We work very hard to keep our costs to a minimum and this does not leave us any leeway when things go wrong.

Our refund policy is:

1. Before registrations close for the venue concerned, there is a \$20 administration fee per registration to cover our costs to process your refund i.e. we will refund the full registration fee **less** a \$20 administration fee per registration.
2. After registrations have closed, a refund will only be given if sickness or some other unavoidable circumstances prevent attendance. You must inform us of your cancellation before the event. The refund will be \$35 for Kia Tipu conferences.
3. No refunds will be given if you inform us of your cancellation after the event has started.
